

- x Chair (normally the Head of Academic Group);
- x Independent Academic (see details below).

Please note: your seminar cannot go ahead without at least 2 members of your advisory panel present

**Nomination Independent Academic:**

The Independent Academic is nominated from advisors at Advisor Mentor level within the College, but from a different academic group/discipline to the advisory panel (see attachment **Advisory Panel to nominate an Independent Academic from the attached list**). Perhaps provide a few names so that we have some flexibility with times.
