

Urban Thinkers Campus (UTC)

Organised by the Centre for International Trade and Business in Asia
(CITBA) James Cook University Cairns

Questions to be forwarded to Dr Taha Chaiechi at taha.chaiechi@jcu.edu.au or reach her on mobile: [0403813430](tel:0403813430)

The program

The event is organized around three main issues:

1. Urban planning and economic growth in the local tropical context What are the visible consequences of urban planning influencing economic growth?
2. Growing urban areas and employment opportunities Are the growing businesses and industries in urban areas creating diverse job opportunities for skilled people?
- 3.
