1 week prior to seminar	All required documentation to be submitted to Candidature Committee
-------------------------	---

In order to pass RM7001, students must successfully complete the following two assessment items:

1. A written research proposal; and
2. A seminar, which is usually public unless Commercial In Confidence restrictions apply.

### 2.2.1 Research Proposal and Seminar Assessment Process

Timing	Task/Action
Start of Subject enrolment	Candidate and Advisory Panel set date for confirmation seminar
2 weeks prior to seminar	The candidate submits the completed research proposal to their Advisory Panel who undertake the assessment using RD7001/RM7001 Advisory Panel Report on Proposal Proforma.
1 week prior to seminar	<a href="#">COC-Assessment Form and COC-Proposal Template</a> are distributed to Candidature Committee by the Primary Advisor.
Seminar date	The candidate undertakes the seminar with the Candidature Committee and audience present.
As soon as possible following seminar	The Candidature Committee meets to discuss the Research Proposal and Seminar. The Advisory Panel members leave the meeting so the remaining members can finalise their grade recommendation for the subject.
