 JAMES COOK
UNIVERSITY
AUSTRALIA

Health Professional Education

✔ Make a difference in healthcare education with a Master, Graduate Diploma or Graduate Certificate of Health Professional Education at JCU. Gain a valued qualification from a leading university in rural and remote health in Australia and the wider Asia-Pacific region.

✔ This course is for health professionals who aspire to work in health education and research. Become a leader in improving clinical teaching and education research in all health professions including medicine, nursing, dentistry, and allied health.

✔ Focus on teaching and learning in health contexts with specific strategies for clinical settings. Develop skills in assessment, curriculum design, and research based on evidence and relevant to your career in health. Complete every subject online for exceptional flexibility with support from JCU's outstanding teachers.

Master of

“I think Health Professional Education helps you not just to move into education, but makes you a better clinician. I can educate my patients better and talk to students and colleagues more effectively. The course has given me a passion for research I never thought I’d find. I now feel I can make a real difference through research, rather than doing exclusively service based delivery.”

Dr Angie Nilsson

MANAGER OF HEALTH PROFESSIONAL EDUCATION
