

# YourJCU on the PULSE

Guidance for academic staff

## Purpose

YourJCU on the PULSE is intended to be an early formative check-in with students

## feedback

PULSE survey question	Suggested action
1. Subject learning outcomes have been explained to me	<div style="display: flex; align-items: flex-start;"> <div style="margin-right: 10px; border-bottom: 1px solid black; padding-bottom: 5px;">Now</div> <ul style="list-style-type: none"> <li>Use a weekly email, announcement or video to link subject learning outcomes (SLO's) to assessment</li> <li>Reorientate students to where they can locate the SLO's in the subject outline</li> </ul> </div> <hr style="border: 0.5px solid black; margin: 5px 0;"/> <div style="display: flex; align-items: flex-start;"> <div style="margin-right: 10px; padding-bottom: 5px;">Later</div> <div style="padding-bottom: 5px;">Review the introductory video and check for information about SLO's and learning and teaching approaches in the subject</div> </div>
2. Subject materials are easy to locate in my LearnJCU subject site	<div style="display: flex; align-items: flex-start;"> <div style="margin-right: 10px; border-bottom: 1px solid black; padding-bottom: 5px;">Now</div> <div style="padding-bottom: 5px;">Review your subject site and identify whether you have consistently named folders</div> </div> <hr style="border: 0.5px solid black; margin: 5px 0;"/> <div style="display: flex; align-items: flex-start;"> <div style="margin-right: 10px; padding-bottom: 5px;">Later</div> <ul style="list-style-type: none"> <li>Consider adding a subject sitemap to your Introduction or 'Start Here' folder</li> <li>Orient students to LearnJCU with a live walkthrough</li> </ul> </div>
3. Subject materials are keeping me interested in learning about {my subject}	<div style="display: flex; align-items: flex-start;"> <div style="margin-right: 10px; padding-bottom: 5px;">Now</div> <div style="padding-bottom: 5px;">Consider sending a weekly email, announcement or video explicitly linking learning for the week</div> </div>
