ADDITIONAL INFORMATION

Essential Placement Information

It is a [Pre-Placement policy](#) requirement to complete InPlace before the cut-off date in the designated week – [refer to calendar](#).

For embedded Professional Experience: successful completion of Placement and coursework (and associated assessment) is required to pass the subject overall. All subject requirements must be completed in the same study period in which you are enrolled. If you are repeating a subject with embedded Professional Experience, you must reattempt all subject requirements (i.e., practicum completed in a previous enrolment does not count).

Out Of Step Students: It is the responsibility of the student to email placements@jcu.edu.au at the commencement of the study period prior to enrolling in the subject to request a placement. Failure to do so will mean that a placement will not be found.
